

### Mini Mission:

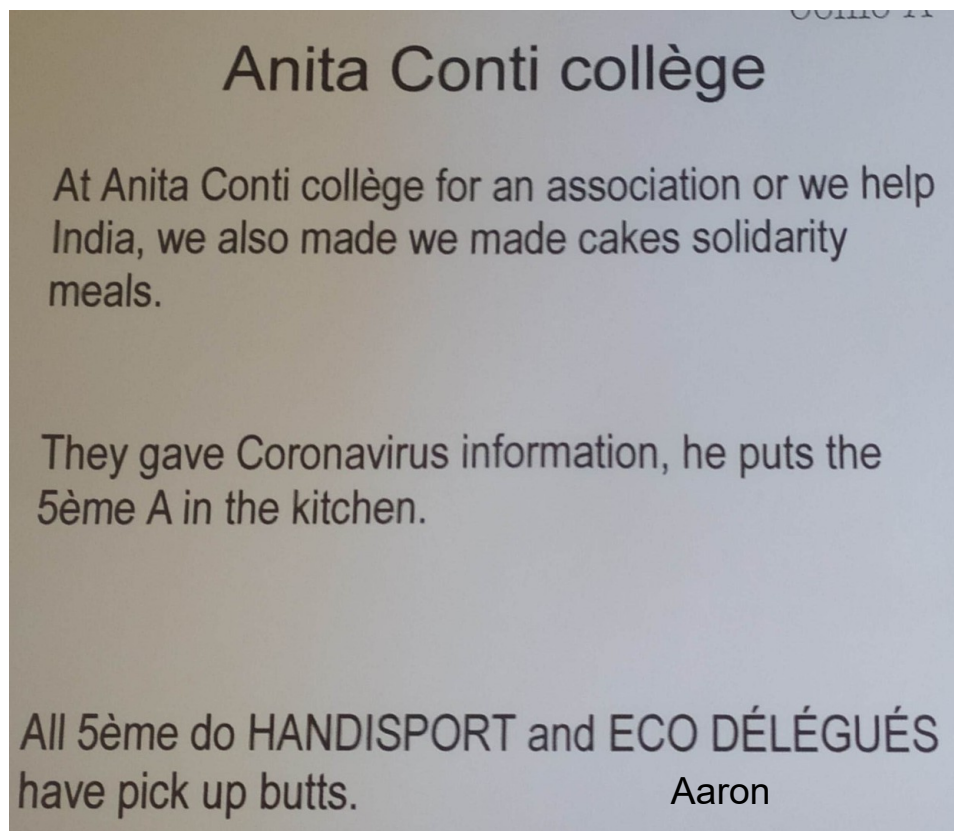

### An article on Anita Conti's Blog

You decide to **write** an article to talk about you in the school's blog.

**Talk** about you, what you like, what you don't like, the subjects in your school, your favourite subject(s) and ask questions to the readers.

Thank you to all the pupils who worked hard on their articles.

Miss PEARSON-LE MASSON

In summer, I love surfing and swimming in the sea.

I dislike staying at home.

Quizz:

1) What sports do I play?

2) What are my favourite activities in summer?

3) What are my favourite subjects?

And you?

Hello

I like my school Anita Conti because we learn something new every day: French; history and geography; P.E... someone learn sociability. I'm crazy about my English teacher, her lessons are cool and constructive. My English teacher is FUN!! :P

I like the playground because it is a time of relaxion and time to enjoy with my friends.

My school canteen offers organic and local products.

In my school there are history, geography, moral and civic education, art, music, science and biology, physics, technologies, English, P.E, French, math, Spanish and German courses.

Bye bye

Hermione

My name is Océane, I am 12 years old. I am a girl with brown hair and blue eyes. I feel happy and friendly.

I've been dancing since I was 5 and I love that. I love animals and baking. Later, I want to become a pastry chef.

I hate wastes in nature. I don't really like sport and still run less. Right now, I hate being locked up.

At school there are scientific subjects like I.C.T. Maths, there are literary subjects (French, English) and artistic subjects (arts, music). We also do 4 hours of sport per week. My favorite subjects are music and geo history. Because I feel like discovering the world.

And you, are you more scientific or literary?  
What you love in life? Do you speak several languages?

Océane
