I am actually in Canberra and I have visited the aquarium and the National zoo, the National Museum of Australia and I have been for a walk near the Burley Griffin's lake. Tomorrow I'm going to Sydney so, unfortunately, I have no time to visit the National Museum of paleontology.

Hello, my little koalas!:) DAY 10

Live from Sydney. This town is so beautiful ! During my exploration in the city, I have seen the Opera House, the Harbour Bridge, the Queen Victoria and the Sydney Tower Eye. I couldn't visit the Saint Mary's Cathedral because it was closed.

Hello, my little koalas!:) DAY 13

I had the most exciting days of my trip in Cairn's. I have done snorkeling with tortels and manta rays. I have also done paddle too. I wanted to go to the Skyrail Rainforest Cable way but it was closed due to the forest fire.
