

These holidays, I went to
Australia but my trip is not over !
It's a fabulous country.

First, I surfed with my Australian friends
on the longest beach of spot X . After, I
went to the blue mountains to go hiking, I
have seen amazing landscapes !

I have gone to Sydney too and
I have visited many monuments,
the famous Opera House, Harbour
bridge...

Sydney at night, it's beautiful ! 😊

After, I took the boat to go to Tasmania
with two stops : Canberra and
Melbourne.

Canberra is the capital of Australia but
I preferred Melbourne for its night
market, its big buildings and its
beautiful gardens !

Next, I arrived in Tasmania and I went
to the beach, went in an other boat to
observe whales and I went hiking again
but it was amazing again !

After, I went to Perth, I surfed again
(my new favourite sport), I rode
bikes on the beach and I tried rock
climbing. And I like that !
The instructor was very nice and I
learned fast !
I have spent a very good time !

Now, I am in Western
Australia. Yesterday, I rode a camel ! It
was the first time for me !

And today I am enjoying on the beach !
I want to finish my Australia tour in the
sun !
I really want to finish this travel on the
Great Barrier Reef because I love 😊
snorkling and I will realize a dream
when I will swim on it ! I'm so excited !
