Hello! ☺
Australia is the best country.
I am arrived in boat of cruise and
I have admired dolphin. The cruise ship
last 1 week. The we went to Northern
Territory to go on hot-air-ballon ride.
I was impatient because I had never gone
to see the clouds up close. I went by train
to South Australia to go and feed kangaroos. I
have naver met australian. I will go to soon test
the peach but the only thing what I will peach it's
water! I will never go to Tasmanian because
I'm scared to see the Tasmania devil! To finish
my wonderful travels I will go to see a dance
performance at the Syndney opera.
Good bye!!♥
