

# AUSTRALIA

## MY TRIP

I have been for four weeks holidays in Australia. I am here since Two weeks. I am going around this big island. I arrived by plane at Sydney's airport .

Sydney is the biggest city in the country, and I have visited it. I have passed by Harbour Bridge to join Harbour Bridge.

I stayed on the Bondi beach where I have seen surfer.

I passed by gold coast and Brisbane where I have visited the Queens land museum. It is the most populous city of Australia.

Brisbane

I have taken the Kuranda Scenic Railway who took me to North of island.

I have seen amazing waterfall , and koala in their natural environment.

That was a magical moment. I have gone diving and the great barrier Reef.

It would have been a shame to miss that !

After one week I arrived in the Northern Territory. I crossed Alice Spring dessert parck to join Ayer.

I passed by Kimberley and I arrived to Western Australia .

Kimberley

Western Australia

I have ridden a camel and I have gone rock climbing . I went back by bike to Perth . That's the most isolated city in the world .

After two weeks I decided to go to Tasmania island . I have gone hiking and I have taken the boat to admire whales coming out of water .

I have met famous Tasmania Devil and I went back to the South Australia .

Tasmania Devil

In South of Australia I have practised canoeing on Lake Eyre and the next day I went rafting in rapids , that's very cool !

Lake Eyre the most salty of Australia

I still have tow weeks so I would like to stay a moment in South Wales to enjoy to go hiking in the Blue Mountains .

## Blue Mountains

I would like to see platypus and to visit Melbourne .

Playtypus

Melbourne

After I return in Sydney and I would take the plane to come back to France .
